Member of the National Democratic Party in Schleswig-Holstein whose reliability has not yet been established. He obtained the information from a district leader in the area.

1. Adolf von Thadden, national chairman of the National Democratic Party (NPD), has a small circle of close associates who are not officially members of the NPD. Among these associates are ex-Colonel von Budd, the World War II German Air Force ace, and ex-Major von Rehman, former commander of Hitler's "Wehrmacht".

2. Videl is sales representative for several West German firms in South America and is said to have excellent connections there as well as throughout West German industry. Rehman is also said to have good connections in West German commercial circles. It is believed that both Videl and Rehman are collecting funds through their connections for the NPD.
